**Subject:** Stakeholder meetings regarding proposed changes to the Cornwall Council Off-Street Parking Place Order

Good morning

You are invited to meet with Cllr Geoff Brown (Cabinet Member for Transport) and Craig Taylor (Parking Manager), where they will outline proposed changes to the Cornwall Council Off-Street Parking Place Order for the 2019/20 financial year. This will include information on the following:

- The Parking Service Budget for 2019/20
- Proposed tariff changes
- Reserved permit spaces – Proposed Operational changes
- On Street Carers Permits

The meeting will enable the parking service to explain the reasoning behind the proposed changes, and to ensure that the local stakeholders are aware of the ability to provide feedback during the statutory consultation process that will occur in December.

There will be 3 meetings:

Friday 23 November – Council Chamber at County Hall, Truro, TR1 3AY at 4pm  
Monday 26 November – Room 1, Chy Trevail, Bodmin, PL31 2FR at 5.15pm  
Tuesday 27 November – St Johns Hall, Penzance, TR18 3QW at 6pm

Please can you let me know which meeting you would like to attend.

Kind regards

Charlie
