# Notice Board

Throughout the Summer we would like you to help us map out the fauna and flora in the Saltash Town area and surrounding countryside.

We want to create a physical map to help understand and appreciate our precious local environment and changes across the seasons.

Just inform us of what you have seen and where and we will record it. Back gardens are a great start. You don't have to be David Attenborough to take part!

**BOOK OF THE MONTH**  
Texas, 1934. Millions are out of work and a drought has broken the Great Plains. Farmers are fighting to keep their land and their livelihoods as the crops are failing, the water is drying up, and dust threatens to bury them all. One of the darkest periods of the Great Depression, the Dust Bowl era, has arrived with a vengeance.
