# Event Board

Throughout the Summer we would like you to help us map out the fauna and flora in the Saltash Town area and surrounding countryside.

We want to create a physical map to help understand and appreciate our precious local environment and changes across the seasons.

Just inform us of what you have seen and where and we will record it. Back gardens are a great start. You don't have to be David Attenborough to take part!

Get in touch -

Pop in to the Library to let one of the team know, or email - david.orton@saltash.gov.uk
